LOWELL SALOONS MAY BE ABOLISHED

Copper Queen Consolidated Mining Company Wins in Tax Suit.

Bisbee, Ariz., April 5.—The supreme court of Arizona decided, in the case of the Lowell saloons, that the three mile law is not applicable and directed an alternative writ to the board of supervisors to show any other reason why the saloons at Lowell cannot be permitted to reopen.

A famous case known as the "back taxes case" fought through the courts since 1902, has been definitely settled by the supreme court. The defendant was the Copper Queen Consolidated Mining company which had been overtaxed by the board of supervisors of Cochise county. The company averred that the valuation of its property and income had been arbitrarily raised and won the decision of the lower court, which has been now unanimously affirmed by the higher court.

J. B. Girard, territorial engineer, while in Bisbee, stated that plans have been made to have 3500 miles of public highways done in Arizona during the next 10 years.

Emil Anderson, the Bisbee wrestler, will have a match with John Berg in Chicago, some time during May.

An epidemic of measles is spreading in Bisbee. According to physicians more than 50 cases have been brought to their attention. The disease is not confined to children only, several adults suffering from it.

Mrs. F. M. Stead, a widow, fell in the street while trying to avoid a carriage, running at a rapid pace. The woman was taken to her home unconscious.

DEL RIO RANCHERS HOLD MEETING

Interest Is Increasing in Uvalde County Institute Work.

Del Rio, Tex., April 5.—An enthusiastic and interesting meeting of the Val Verde County Farmers' Institute was held at the Commercial club rooms, and the cooperative spirit of spreading valuable experience and information manifested assures the success of this organization.

Secretary A. S. Smith addressed the institute on "Corn Culture" and his experience and observation gave him the audience for a splendid talk.

F. S. Cummings, a truck grower, gave his experience in producing onions and the interest displayed in the planting and harvesting of this profitable crop evidenced a desire among the local growers to go into onion raising on a much larger scale.

Frank Qualia, who owns and operates a 40 acre irrigated fruit and truck farm, for which he has refused \$10,000, told how he has succeeded so well with tomatoes.

The institute decided to send a delegate to the convention of the Farmers' Education and Cooperative Union of America to convene in St. Louis, May 2. "Sweet and Irish Potatoes" was voted as the subject to be discussed at the next regular meeting.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlin's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by all dealers.

TREES PLANTED AT ESTANCIA, N. M.

Companies Now Negotiating to Install Pumping Plant in Valley.

Estancia, N. M., April 5.—S. M. King, who has recently come here from Roswell, and bought a quarter section near town, is improving his ranch. He has two wind mills, and has planted 1500 trees, the greater portion of these are fruit trees, but the order contained a number of shade trees, which he has placed in a double row outside the fruit trees, to form a wind brake.

The Averill homestead, one mile west of town, brought the highest price of any quarter section yet sold in this new country. The price received was \$4500. The time of cheap land is rapidly passing.

The Estancia valley will without a doubt, have a pumping plant ere long. There are two companies in the field. The Western Construction, which has working plants in Kansas, has representatives here, interviewing the farmers, and also the Pecos Developing company, which will install a hydro-electric plant on the Pecos river, transmitting the power to the Estancia valley and Albuquerque, with an auxiliary station at Estancia.

The Rio Grande Presbytery which held its first session here, has adjourned. There were 15 ministers present, and many local visitors.

A "Hard Times" ball was given by the Estancia Symphony orchestra.

B. W. Cox will plant 80 acres in beans, and 80 acres in potatoes.

Mrs. L. C. Smith and little daughter, of Tipton, are here visiting Mrs. Smith's mother, Mrs. S. L. Goggins, Wm. Hamilton, of Traveler's Rest, Ky., has located near Estancia.

Work on the courthouse is going forward rapidly. The concrete foundations are completed and the brick layers will commence work at once.

D. E. Loumiller and family, of Linksville, Mo., have returned after several weeks' visit with Mrs. M. M. Olive and other relatives.

J. M. Elgin has returned from Cornell, Wash., where he owns several hundred acres of wheat land.

ACTIVITY IN THE DAYTON OIL FIELD

Hammond Well Is Pumping Oil Daily—Giant Well Down 750 Feet.

Roswell, N. M., April 5.—W. C. Lawrence and Edgar Calfee have returned from the Dayton oil field in Eddy county. They report that the H. C. Hammond well is now on a paying proposition as a regular pumping well. Between 20 and 40 barrels per day have been pumped out of the well until the reservoir has been filled completely. A new mammoth additional reservoir which is being constructed of concrete will be finished soon. The pumping is done entirely with the gas from the well. The drillers have so far been unable to case off all of the water, but separation is easily accomplished.

The well of the Giant Oil and Gas company, of Roswell, which is 1900 feet from the Hammond well, is now down to a depth of 750 feet, with the finest prospects.

TO REBUILD LAUNDRY.
Roswell, N. M., April 5.—W. H. Peatty, proprietor of the Roswell steam laundry, which was destroyed by fire, announces that he will rebuild at once and has put in rush order for new machinery. The new building will be a modern concrete and fireproof one.

DEXTER, N. M., MAY ABOLISH SALOONS

Prohibition Meeting Held at Hay Shipping Point Near Roswell.

Roswell, N. M., April 5.—Dexter, 16 miles south of Roswell, has been seized with the prohibition fever and a movement has been started looking forward to the abolition of the lone saloon there. If Roswell goes dry some of the anti have foreboded dire results, saying a whisky automobile line would be run on schedule time between Dexter and Roswell and the lone saloon there would "flourish like a green bay tree," until a half dozen more could be added. In the event of Roswell going dry it is said the majority of Dextertites will object to that notorious hay shipping town being made a whisky distributing point for the city of Roswell.

At a prohibition meeting at Dexter great enthusiasm prevailed. Speeches were made by Prof. S. L. Harriott, Rev. Wynn and Rev. Hugg. The women served refreshments at the conclusion of the program.

BIG ACREAGE FOR COLONISTS

Development Plans Continue at Portales—Schools Prepare to Close.

Portales, N. M., April 5.—B. H. Tallmadge, representing a company with headquarters at Chicago, and Enid, Oklahoma, has spent several days looking over the Portales valley with a view to listing about 50,000 acres of land to be sold in a colonization company. Mr. Tallmadge seemed well pleased with conditions here and thinks he will have no trouble in having this much land sold by January 1.

J. B. Jones, of Portales, made a visit to his daughter, Mrs. George Meriwether, of Lockney, recently, and talked the Portales irrigation plan so successfully there that the people of that town are investigating the matter with secretary Molinari.

Quite a number of Portales folks will attend the cattlemen's convention at Kansas City.

Miss Alice Robinson, of Elida, is visiting in Portales.

Dr. W. W. Pence and family have moved to Corpus Christi.

The next entertainment of the Portales dramatic club will be "Mrs. Babbalanza's Pink Tea," interspersed with two minstrel acts.

The public schools are making preparations for closing exercises in drills and music and the high school is preparing a play.

The army building is practically completed with stage and accommodations for an audience hall.

STREETS GRADED AT COLORADO, TEX.

Town to Have Carnival for Week—Cone Johnson to Speak There.

Colorado, Texas, April 5.—L. E. Ayers has just completed grading 19 blocks of streets in the city. This, together with the several miles of cement walks and the new high school building soon to be erected, and the work on the new brick store building of Mr. Duane's, will show the people visiting here that Colorado is fast doing things. Under the auspices of the fire department the Parker Carnival and Amusement company will begin a week's engagement here on Monday, April 11.

The "Microbe of Lora," a comedy by Mrs. Godbold, of Comanche, will be put on by Miss Clara Reaville for the benefit of the Methodist Aid society at the opera house, Friday, April 8.

R. B. Terrill, cashier of the State bank of Westbrook, has tendered his resignation and has accepted a position with Burns & Bell as bookkeeper.

Cone Johnson will speak to the people at Colorado, April 12.

The Popular DRY GOODS COING

NO SLAVERY TO WORK

Finds It Easy to Do Her Housework, After Taking Cardui, the Woman's Tonic, for Her Weakness.

Deskins, Va.—"I had serious female troubles, lasting 40 days at a time," writes Mrs. Mary A. Vandyke. "I took medicine from 2 doctors, but it took me to do no good. I was so weak I could hardly work, so I wrote you for advice, and got a bottle of Cardui. In a few days I was better. Now I feel like a new woman. I am doing my work and praise your medicine every day. I advise all my friends to try Cardui, the best medicine for women on earth."

If you suffer from any form of womanly weakness or irregularity, try Cardui, the woman's tonic. It helps nature to perform a cure in a natural easy way.

Its ingredients are mild herbs, having a gentle, tonic effect, on the female constitution.

It makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Many ladies have written to say that Cardui is worth its weight in gold. If you are a woman, try it.

Your druggist sells it, with full instructions for use.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper on request.

DANDERINE
